

JAGADEEP K

AI&ML ENGINEER

jagadeep0210@gmail.com | 9942167381 | Tiruchengode

SUMMARY

Artificial Intelligence and Machine Learning student with a strong foundation in Python, Java, SQL, and web development. Passionate about developing intelligent solutions, analyzing data, and solving real-world problems using AI and machine learning techniques. A quick learner with strong analytical and problem-solving skills, eager to contribute to innovative projects while continuously expanding technical knowledge and professional expertise.

WORK EXPERIENCE

Google AI-ML Virtual Internship

Jul 2025 – Sep 2025

Successfully completed the Google AI-ML Virtual Internship, gaining hands-on experience in Artificial Intelligence and Machine Learning concepts. Worked with industry-relevant tools and technologies to understand data preprocessing, model development, and AI workflows through practical learning activities and guided projects. Strengthened skills in Python, TensorFlow, machine learning fundamentals, and problem-solving while exploring real-world AI applications.

Full Stack Web Development Intern

Jun 2026 – Jul 2026

Completed a Full Stack Web Development internship, gaining practical experience in designing, developing, and maintaining responsive web applications. Worked with HTML, CSS, JavaScript, and backend technologies to build user-friendly interfaces, manage databases, and implement core web functionalities while following industry best practices.

PROJECTS

AI-based Weather Forecast Assistant

Completed a Full Stack Web Development internship, gaining practical experience in designing, developing, and maintaining responsive web applications. Worked with HTML, CSS, JavaScript, and backend technologies to build user-friendly interfaces, manage databases, and implement core web functionalities while following industry best practices.

EDUCATION

Bachelor of Computer Science (AIML)

2024 – 2028

K.S.Rangasamy college of technology
CGPA: 8.0

HSC

2023–2024

K.S.R.Matric higher secondary school
81%

KEY SKILLS

- Python
- Java
- HTML
- SQL
- CSS
- JavaScript
- Web Development
- Machine Learning

CERTIFICATIONS

- Oracle Cloud infrastructure 2025 Certified generative AI professional
- NPTEL Human Computer Interaction–91%
- Digital Application Fundamentals (STEM) – NASSCOM FutureSkills Prime (Gold)
